

FACTS AND FAVES!

Create Your Own Book of Friend Facts and Faves!

Hand out copies of this activity and pens to everyone at your sleepover party. When everyone's done filling in their answers, take turns reading the answers aloud. You may be surprised what you learn about each other!

To make one book that everyone will share, collect all the pages and bind together, using a stapler. (Or punch holes in the pages and bind together with yarn or ribbon.) To create a book for each friend, make enough copies of the completed pages for everyone.
